To receive MiDiv National Racing series awards a driver must finish top-3 in class and must have started at least three MiDiv National races.

NOTE: For 2011 drivers will qualify for the Runoffs by meeting any one of three criteria: •Finish top-3 in class in division, •Finish top-half in class in National Points, •Finish at or above a pre-set points minimum. The cutoff lines in the points below mark those who are in the zone to have qualified either top-3 or have met the minimum. "Min" indicates the points minimum for that class. The cutoff line does not take into account whether the driver has also met the participation minimums of four starts (at least two within MiDiv) and four finishes (any Division).
