Midwest Division Solo Series

2026 Rules for Event Organizers

Latest changes are shown in italic and marked by a change bar.

General

The Series Events are classified as "Divisional Events" and shall comply with all requirements of the SCCA Solo rules.

Participants will be required to pre-register to facilitate all cars running in class order. Multi-day weekends may include dinner for the entrants at an additional cost. The posting of times and announcing of times must be an integral part of the competition.

The Midwest Division Solo Divisional Coordinator may monitor the progress and planning of all Series Events.

Courses

Course design will be in accordance with current SCCA Solo Rules. Drag race starts/ProSolo type events or other non-conventional type events may be conducted with the prior approval of the Midwest Division Solo Series Committee.

The Solo Divisional Coordinator or a designated representative maintains the right to perform a visual check of the courses before competition with the authority to change the courses if necessary.

Participants as Workers

Participants are required to work the course, timing or other areas as part of their entry, as set out in the SCCA Solo Rules for National Events. The Host Region will assign duties. Failure to perform assigned duties is grounds for disqualification from the Event

Facilities

Restroom facilities must be provided at the Event Site.

Registration

Registration fees and deadlines will be set by the Host Region and will be included in all preliminary publicity.

Where possible, price breaks should be offered for multi day entries to reflect sanction fee costs.

Host regions may use the registration system of their choice. Motorsportsreg.com is recommended.

Sponsors

Entry forms, result sheets, trophies and all correspondence and publicity must include the Primary Series Sponsor's name, logo, etc. Host Regions may acquire secondary sponsors for their Event, provided that those sponsor(s) are not in direct competition with the primary sponsor. Secondary sponsor name may not be used as a part of the Event name. The Event shall be titled “(Primary Sponsor Name) Midwest Division SCCA Solo Championship Series Event", with further sponsors listed as "Additional Event Funding by (host region acquired sponsors)". Primary Sponsors, if in attendance at the Event, must be provided a place for their product display.

Event Operations

Operation of the Event will be controlled by the Event’s Chief Steward, or if none is designated then by the Event Chair, who will be responsible for all areas of the Event.

Host Regions may provide certified scales, but are not required to do so.

A Protest committee will be appointed by the Divisional Solo Coordinator.

The hosting region must arrange for a backup timer to be at the event site. Stopwatches are not acceptable.

Vehicle Identification

Competing vehicles must comply with vehicle identification requirements in accordance with the SCCA Solo rules. Shoe polish is not acceptable. Competing vehicles must prominently and visibly display the Primary Sponsor(s) logos on a no-charge basis.
